

ELECTRIC SCISSORS

4632

The Conventional 4632 Electric Scissor Lift offers high capacity and large platform areas, making them suitable for any on-slab application. Featuring variable speed rear wheel hydraulic drive, the 4632 offers a working height of 11.8m and 25% gradeability. For easy transport and access through some low overhead doors the handrail can be folded. A standard 1.2m roll out extension deck can be secured in multiple positions, and can be driven at full height.
