

DIESEL SCISSOR LIFTS

9250

The working height of the 9250 scissor lift is 17.2 metres, and its safe working load is 907 kilogrammes. This scissor lift can carry five operators safely to height thanks to its expanded deck, outrigger legs, and four-wheel rough terrain drive. This equipment has a generator, a power to platform unit, and SkyRakPlas® can be added to increase productivity and safety.

Specifications

Working Height	17.2m
