

### ELECTRIC SCISSORS

# 1530

The 1530 is easy to manoeuvre in tight spaces with the compact footprint and industry-exclusive zero-turning radius of this lightweight machine, designed for both indoor and outdoor use. Its electric drive and integrated components reduce hydraulic hoses and fittings, resulting in fewer leaks, service calls, and increased uptime. This machine meets the newest ANSI A92.20 specifications, making it ideal for sensitive flooring.

## Specifications
