

### DIESEL SCISSOR LIFTS

# 3369

The 3369 scissor lift is designed to tackle the toughest outdoor worksites. It features 4-wheel drive with positive traction control for superior trainability, a patented full-time oscillating axle that automatically adjusts based on ground conditions, and 35% gradeability. With a maximum work height of 11.96 m, it also offers a large platform workspace with a 1.52 m slide-out extension deck and swing-out components trays for easy access.
