# POWER TOWER

This compact, lightweight platform is only 0.78m wide and fits through standard single doorways and into passenger lifts, making it ideal for raised access 'computer' flooring. Its large 1.52m x 0.75m platform size provides the user with more room to work and more room for tools and equipment, making it perfect for dry-lining, pipe and duct work, air conditioning, general M & E contractors, shop-fitters, retail refit etc.
